

## Biography

# Andrés E. Villa

Chief Technological Officer (CTO)  
UARX Space, S.L.

---

Andrés Villa is the Chief Technical Officer and Co-Founder at UARX Space. He is a Senior Systems Engineer and Project Manager with more than twelve years of experience working in the Aerospace Industry. He has worked in GEO and LEO missions for the traditional industry and now is helping developers of the small satellites industry to develop more reliable products.

Andrés holds a Master's degree in Aerospace Engineering from the California Polytechnic State University, where he was honored with the Summa Cum Laude recognition. He also obtained a Bachelor's degree in Electrical and Electronics Engineering and a Master's degree in Computer Science from the University of Mendoza.

He has strong leadership skills, always promoting the individual development and the benefit of the whole team.
